

Appl. No. 10/576,099  
Amdt. dated August 25, 2010  
Reply to Office action of May 26, 2010

**REMARKS**

Claims 17-24, 25-28 and 30-36 are now in this application.

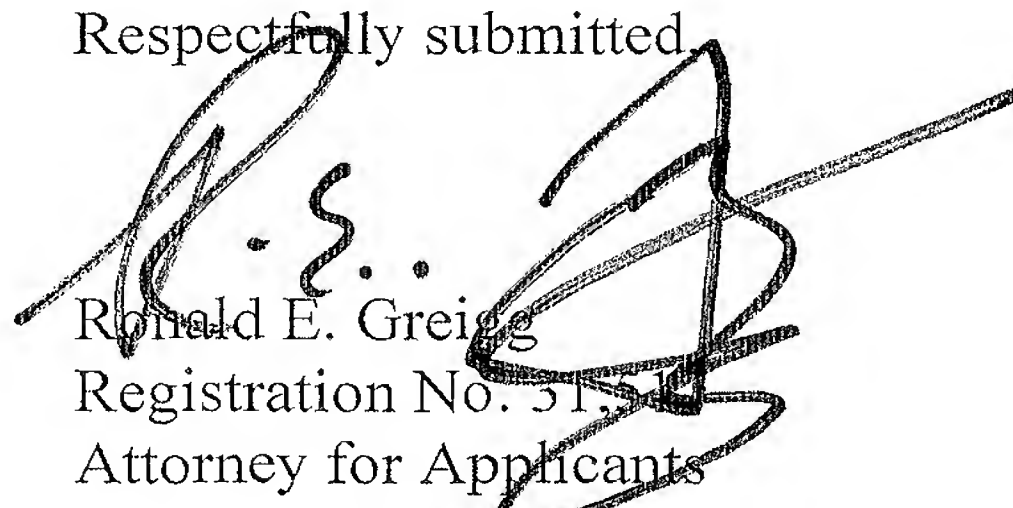

In paragraph 12 of the Final Office action the examiner objected to claim 28, saying that if made independent by incorporating into it the language of claims 16 and 25, the claims on which it depends, then claim 28 would be allowable. By this amendment claim 28 has been revised accordingly.

On August 4, 2010, applicants' representative and the examiner held a telephone conference in which incorporation of the limitations from claim 28 into claim 36 was discussed. The examiner agreed that such would also make claim 36 allowable.

By this amendment the above has been accomplished. Also, the dependent claims have been reviewed and modified or canceled as appropriate so that they are in agreement with the changes which have been made to the independent claims. Additionally, a few additional minor changes have been made to correct the grammar of some of the claims.

Accordingly, all of the claims in this application should now be allowable. For all of the above reasons, entry of this amendment and allowance of the claims are respectfully solicited.

Respectfully submitted,
